*A high tech electrical organisation at your service Starting out as a small family business **PRIYANSH** has grown to a company now employing a team of skilled professionals. we took over the family business and through our leadership and experience we developed many strong and lasting relationships with our channel partners and consumers.*

*These relationships have been built over many years of quality and reliable service.*

*By taking the time to understand our customer's needs and requirements we provide them products with our best solutions, based on our technical knowledge and experience. Our goal is to provide our customers with the best quality products and with our team of experienced and passionate working staff, we pride ourselves on building great consumer relationship*

(Founder)

**MR. ANKIT CHAWLA**

(Managing Director )

**MR. PANKAJ CHAWLA**

★ **SUPPORT FOR ORPHANS** ★

**“Every Child Counts  
Every Child Learns”**

**Your support can change a child's life  
by giving them access to a quality education.**

- We spend 50 percent of our basic income on our foundation.
- In which we take complete care of the accommodation, food and education of homeless destitute children
- So that the future of those children can be bright
